APPLICATION FORM	
ABUTTER LIST	
COPIES OF CHECKS	
ATTACHMENT A NARRATIVE	
1.0 INTRODUCTION.....	1
1.1 Purpose.....	1
1.2 Overview of Other Wetland Related Permit Applications.....	2
1.3 Summary of Wetland Conservation District Impacts.....	2
1.4 Summary of Impacts to the 25-Foot Buffer Zone.....	3
2.0 EXISTING CONDITIONS	3
2.1 Overview of Site.....	3
2.1.1 Topography	4
2.1.2 Geology and Soils.....	4
2.1.3 Hydrogeology.....	5
2.1.4 Floodplains.....	5
2.1.5 Federally and State-Listed Rare, Threatened or Endangered Plant and Animal Species.....	5
2.1.6 State of New Hampshire Prime Wetlands	6
2.2 Wetland Conservation District Existing Conditions.....	6
2.2.1 Identification of Wetlands and Waterbodies	6
2.2.2 Overview of Wetlands and Waterbodies.....	6
2.2.3 Functions and Values Assessment of Impacted Resources.....	8
3.0 PROJECT DESCRIPTION	9
3.1 Project Principal Components.....	9
3.1.1 Phase 1 – Principal Components.....	9
3.1.2 Vehicle Support Services.....	10
3.2 Phase 2 – Principal Components.....	10
3.2.1 Lower Clubhouse Area	10
3.3 Summary of Project Benefits.....	11
4.0 OVERVIEW STORMWATER MANAGEMENT AND EROSION AND SEDIMENTATION CONTROL.....	11
4.1 Stormwater Management.....	11
4.2 Construction Phase Erosion and Sedimentation Control.....	12
4.2.1 Generalized Construction Sequencing	12
4.2.2 Construction Phase Erosion Control Plan	12
5.0 IMPACTS WITHIN WETLANDS CONSERVATION DISTRICT.....	13
5.1 Overall Environmental Impacts within Wetland Conservation District	13
5.2 Specific Impact Areas within Wetland Conservation District.....	14
5.3 Activities Located Within the 25-Foot Setback	15
5.4 Environmental Impact of the Proposed Action.....	15
5.5 Character and Degree of Injury to, or Interferences with Safety, Health, or the Reasonable Use of Property	17
5.6 Wetland Compensation Plan.....	19
5.7 Summary of Consistency with Purpose and Intent of Wetland Conservation Ordinance.....	20

TABLE OF CONTENTS (Continued)

APPENDICES

Appendix A: Supporting Figures

Figure A-1: USGS Site Locus

Figure A-2: Tax Maps

Figure A-3: Aquifer Transmissivity

Figure A-4: NRCS Soil Unit Classification

Figure A-5: FEMA Floodplain Classification

Figure A-6: Prime Wetland Locations

Figure A-7: Artist's Rendering of Conceptual Site Plan

Appendix B: Supporting Tables

Table B-1: Summary of the Project Wetland Impacts within the Wetland Conservation District

Table B-2: Details of the Impacts, Classifications and Functions of Wetlands within the Wetland Conservation District

Table B-3: Approaches used During Design Development to Minimize Direct Impacts to Wetlands within the Wetland Conservation

Table B-4 Table B-4: Considerations to be Addressed by the Tamworth Wetlands Conservation Ordinance (§ E. Special Use Permits, 5(a)(b)) and Relevant Findings from the Corps of Engineers

Appendix C: Easement Agreement/Other Correspondence

Appendix D: Project Plans (Submitted Under Separate Cover)

Appendix E: NHDES Site Inspection Report May 4, 2004, ESS Letter July 19, 2004, ESS Letter April 26, 2004, Abenaki Letter April 25, 2004, Abenaki Letter April 12, 2004

Appendix F: NH Soil Consultants Letter July 20, 2004

Appendix G: Army Corps Letter July 7, 2004

Appendix H: Army Corps Environmental Assessment and Statement of Findings

Appendix I: Email from Mark Kern (EPA) to Craig Rennie (NH DES) June 15, 2004

Appendix J: EPA Letter July 18, 2005

Appendix K: Settlement Agreement 05-07-WC Appeal to Water Council

Appendix L: NH DES Administrative Rules (Wetlands Bureau) Wt 101.68

Appendix M: Joint State and Federal Wetlands Permitting

Appendix N: Federal Wetlands Permitting

Appendix O: Water Quality Permitting

Appendix P: NH DES Site Specific and Terrain Alteration Permitting
